

EXHIBIT 3

I was in my rack resting when I felt a bump. I immediately got up and went to see what happened. I saw us backing away from the r/r bridge & I ran up top to speak with James Morrissey and he informed me that the tug went head over. He said the supper stuck. I called Brian Moore & Lenny Baldosarie immediately to report incident. Lenny informed me that he & Brian will inform C of incident. waiting on orders

Captain Chris Miller
